

Turning 65 **WORKSHOP**

A turn-key training and educational workshop system that provides agents a way to provide unbiased Medicare election advice to prospective clients who are making important decisions regarding their entire financial picture.

This system is ideal for agents who are looking to create residual income, get in front of new prospects and promote other products and services to clients entering their retirement years.

- Customizable Turn Key Direct Mail piece - averaging a 3-5% response rate
- Market Specific planning - T65 list query
- Presentation in a Box - all an agent needs to present & be successful
